# WELCOME

**BEWLEY'S BIG COFFEE MORNING SOCIAL FOR HOSPICE IS ONE OF IRELAND'S LONGEST ESTABLISHED AND MOST LOVED FUNDRAISERS IN AID OF SPECIALIST PALLIATIVE HOSPICE AND HOMECARE SERVICES ALL ACROSS IRELAND.**

2022 marked the 30th anniversary of the campaign, an incredible milestone for hospices nationwide. Over €43.2million has been raised to support front-line hospice care since the campaign began in 1992 and this could not have been achieved without the wonderful support and dedication of our coffee morning hosts.

Bewley's have proudly supported the campaign from the very beginning making this one of Ireland's most successful and longest standing charity partnerships.

Bewley's Big Coffee Morning Social for Hospice has enabled local hospice groups to provide the best in person centered and excellent care to patients and their families for over 30 years.

## HOSTING A COFFEE MORNING SOCIAL IN 2023

We are delighted to be going in to our 31st year of Bewley's Big Coffee Morning Social for Hospice. A milestone we have reached because of the generosity of people in cities, towns and villages throughout Ireland. It is through the amazing support of hosts like you that we can raise money to continue delivering specialist palliative care across the country.

The past few years have been challenging for all of us, and as local organisations that rely so heavily on fundraising, our efforts continue to be severely affected by new social and economic challenges. That's why Bewley's Big Coffee Morning Social for Hospice has never been more important as it's our biggest annual fundraiser of the year. By hosting a coffee morning social this September, you will be helping your local hospice to provide specialist care to patients in your local community as a time when they need it most.

**THANK YOU FOR REGISTERING TO HOST A COFFEE MORNING SOCIAL. REMEMBER THAT EVERY EURO THAT YOU RAISE GOES TO THE HOSPICE AND HOMECARE GROUP OF YOUR CHOICE.**

**WE WISH YOU A VERY HAPPY COFFEE MORNING!**

## CAFETIÈRE / PLUNGER PREPARATION

**1**

Heat the cafetière using boiling water.

**2**

Empty water and add one heaped dessert spoon per cup.

**3**

Pour in water that's just off the boil.

**4**

Stir well and let the coffee stand for 3 minutes before plunging slowly.

**5**

Serve and savour the flavour!

## GOLDEN RULES

1. Coffee should be stored in a cool, dry place.
2. Fresh ground coffee should never be exposed to air. Store in an airtight container or seal bag accordingly after use.
3. Portion correctly for optimum flavour. Bewley's suggest using 1 dessert spoon of freshly ground coffee per average sized cup.
4. Never use boiling water as it spoils the flavour of the coffee. The best brewing temperature for coffee lies between 91–96°C.

## FREE BEWLEY'S COFFEE!

Thanks to the generous support of Bewley's, all the coffee is supplied to our hosts for their coffee morning in support of their local hospice and homecare service.
